Ref:- G.O.No. 2047 P.H., dated 19/8/29.

The Government were paying 5% of pay and allowance paid to the Sub Assistant Surgeon in charge of C.B. Dispensary as contribution to the Municipality ever since the dispensary was opened in Cowl Bazaar. Now the Government in the above order have stopped the payment of this contribution. The reasons assigned for stopping this contribution are that the Sub Assistant Surgeon in charge of the dispensary was required to attend to Government work such as, conduct of post mortems, treatment of injured and wounded persons sent in by the police or Magistrate, grant of certificates in judicial enquiries and the like and he has not been attending to them now.

The Sub Assistant Surgeon has not been ordered by the Council to refrain from doing these works. The Council in its resolution No. 7 dated 14/12/29 (copy enclosed) protests against the Government Order and requests that as the reasons given for withholding 5% contribution are not convincing and the payment of grant of 5% contribution may be continued as the Council is always willing to allow the Sub Assistant Surgeon to attend to the work entrusted to him by the Government on its behalf.

Read G.O.No.2047 P.H.,/19/8/29 furnishing a revised list of medical institutions maintained by local bodies in respect of which the Government will contribute towards the pay etc. of the Sub Assistant Surgeons employed therein.

Office note that the Cowl Bazaar dispensary, for the salary of the Sub Assistant Surgeon of which the Government were paying 5% contribution from several years past has not been - - included in the revised list.

Resolution:-

The Council protests against the G.O. issued and requests that the reasons given for such witholding of the 5% contribution are not convincing, that the Government may reconsider the G.O. and continue to grant the same as the Council is willing to allow the Sub Assistant Surgeon to attend to the work entrusted to him by the Government on its behalf.
